

ROMANIA

Article 3 - Competent authorities

- *responsible for issuance*: the judicial body in charge of the case in which the protection measure constituting the basis for the request for the issue of a European protection order has been ordered. If a final conviction has been handed down in the case in which the protection measure constituting the basis for the request for the issue of a European protection order has been ordered, the court responsible for executing the European protection order is competent to issue it. If a conditional sentence has been handed down in the case in which the protection measure constituting the basis for the request for the issue of a European protection order has been ordered, the first instance court which handed down the conditional sentence is competent.

- *responsible for execution*: the court in whose area of jurisdiction the protected person lives or is going to live or has established or is going to establish their domicile or residence.

Article 4 - no central authority has been designated

Article 17(3) - If Romania is the executing State, the European protection order will be issued in Romanian.
