(“Meetings”)**

OBJECTIVE AND SCOPE

Regional meetings involve Contact Points from at least three Member States or two Member States and one non-EU State and focus on issues which have a particular regional character. National meetings gather the Contact Points in one Member State and representatives of the judiciary in the country, to discuss the activities and role of the EJN and to promote the use of the Network.
3. The Meetings for which financial assistance can be sought under this Call for Applications for Financial Assistance for the Organisation of EJN Regional and National meetings (*Call for Proposals*) should take place **between 13 April and 16 October**.

AVAILABLE BUDGETARY ALLOCATION FOR CALL FOR PROPOSALS

6. To comply with the co-financing principle, only **95% of the total eligible costs incurred by an applicant may be reimbursed from the EU budget as part of the financial assistance under this Call for Proposals**. This means that the amount of eligible costs stipulated in the application, if successful, will be reimbursed fully only in the event that this amount constitutes less than or equal to 95% of the total eligible costs. An amount of at least 5% of the total eligible costs shall be borne by the national authorities of the Member States.
