

Annex 1

The following list provides a full overview of the thematic areas subject of the Call for expression of interest.

EU Crime Priorities – Serious and Organised Crime

1. EU Crime Priorities – Serious and Organised Crime/EMPACT cycle, in general
2. EU Crime Priorities – Serious and Organised Crime/High-Risk Criminal Networks
3. EU Crime Priorities – Serious and Organised Crime/Migration and Migrant Smuggling
4. EU Crime Priorities – Serious and Organised Crime/Trafficking in Human Beings, including but not limited to sexual and labour exploitation
5. EU Crime Priorities – Serious and Organised Crime/Environmental Crime
6. EU Crime Priorities – Serious and Organised Crime/Document and Identity Fraud
7. EU Crime Priorities – Serious and Organised Crime/Drugs trafficking, drugs crimes (also including intra and extra-EU routes)
 - * Cannabis, Cocaine, Heroin Trafficking
 - *Synthetic Drugs and New Psychoactive Substances
8. EU Crime Priorities – Serious and Organised Crime/Organised Property Crime, including trafficking of cultural goods
9. EU Crime Priorities – Serious and Organised Crime/Missing trader intracommunity fraud
10. EU Crime Priorities – Serious and Organised Crime/Corruption
11. EU Crime Priorities – Serious and Organised Crime/Excise fraud
12. EU Crime Priorities – Serious and Organised Crime/Intellectual Property Crime
13. EU Crime Priorities – Serious and Organised Crime/Trafficking and illicit use of Firearms and Explosives (also including intra and extra-EU routes)
14. EU Crime Priorities – Serious and Organised Crime/Cybercrime - Child Sexual Abuse and Sexual Exploitation
15. EU Crime Priorities – Serious and Organised Crime/Cybercrime - Non-Cash Means of Payment

16. EU Crime Priorities – Serious and Organised Crime/Cybercrime – Attacks, including attacks against information systems

- * *Cybercrime - Digital Forensics, including mobile and drone forensics*
- * *Cybercrime - Electronic Evidence*
- * *Cybercrime – Dark-web*
- * *Cybercrime - Cryptocurrencies*
- * *Cybercrime - Digital Investigations*
- * *Cybercrime - Open-Source Intelligence (including Online Investigations, Data and Network Analysis)*
- * *Cybercrime - misinformation, disinformation, fake news and online deception*
- * *Cybercrime - First Responders*
- * *En/decryption*
- * *Online Fraud Schemes*

17. EU Crime Priorities – Serious and Organised Crime/Criminal Finances, Money Laundering and Asset Recovery

- * *Financial Investigations*
- * *Economic Crime*
- * *Virtual Currencies and Cryptocurrencies*
- * *Anti-Money Laundering*
- * *Financial Intelligence and Financial Data Analysis*
- * *Procurement Fraud*
- * *EU funds fraud*
- * *Confiscation and Asset Recovery*

18. EU Crime Priorities – Serious and Organised Crime/Crime as a Service

Counter-terrorism

19. Counter-terrorism/Radicalisation and Extremism (Including but not limited to:

- * *Prevention and combatting radicalisation and extremism,*
- * *Online means of radicalisation,*
- * *Radicalisation in prison and detention centres,*
- * *Left- and right-wing extremism, anti-governmental radicalisation, and other types of violent extremism.)*

20. Counter-terrorism/Foreign Terrorist Fighters and High-Risk Individuals (Including but not limited to:

- * *Recruitment,*
- * *Vulnerable groups (families, spouses, children, adolescents),*
- * *Home-grown terrorists and lone wolves,*
- * *Judicial procedures).*

21. Counter-terrorism/Open-Source Intelligence in CT

22. Counter-terrorism/Security and Protection of Public Spaces, Critical Infrastructure (Including but not limited to:

- * *Cybersecurity and Critical Entities,*
- * *Use of drones and other innovative technologies,*
- * *Cyber-attacks and Defence of Cyber-infrastructure.)*

23. Counter-terrorism/Combating the Financing of Terrorism (Including but not limited to:

- * *Alternative Payment Systems (e.g., Hawala),*
- * *Public-Private-Partnerships,*
- * *Virtual Assets with a focus on Violent Extremism and Terrorism.)*

24. Counter-terrorism/The Use of SIS and other Information Systems for CT

25. Counter-terrorism/CBRN-E

26. Counter-terrorism/Other CT-related Issues (Including but not limited to: *New emerging technologies used by Terrorists / Extremists (Darknet, Meta-verse, Decentralised Platforms, and Use of Virtual Agents, Online Undercover Operations in CT.)*

Fundamental Rights and Management of Diversity

27. Fundamental Rights and Management of Diversity/Fundamental Rights - Conventions and Declarations

28. Fundamental Rights and Management of Diversity/Police Ethics and Management of Diversity

29. Fundamental Rights and Management of Diversity/Victim Protection and Rights

30. Fundamental Rights and Management of Diversity/Hate Crime, Racism, and Discrimination (Including but not limited to:

- * *Hate Crime against Specific Groups and Minorities,*
- * *Hate Crime Reporting and Recording,*

- * *Hate Speech (online and onsite),*
 - * *Prevention of Hate Speech and Hate Crime.)*
31. Fundamental Rights and Management of Diversity/Gender Issues (Including but not limited to: Gender Equality, also within Law Enforcement.)
32. Fundamental Rights and Management of Diversity/Domestic Violence
33. Fundamental Rights and Management of Diversity/Data Protection (Including but not limited to:
- * *Application of the Data Protection Regulation in the context of Law Enforcement.)*
34. Fundamental Rights and Management of Diversity/Other Fundamental Rights Issues. Including but not limited to:
- * *Witness Protection and Rights,*
 - * *Police and Persons with Mental Problems/Special Needs,*
 - * *Safeguards of Vulnerable Adults/Minors in Judicial Procedures,*
 - * *Duty of Care.)*

Law enforcement EU / regional / international cooperation, information exchange & analysis and interoperability

35. Law enforcement EU / regional / international cooperation, information exchange & analysis and interoperability/Law enforcement cooperation, in general
36. Law enforcement EU / regional / international cooperation, information exchange & analysis and interoperability/Schengen Information System (SIS) (Including but not limited to:
- * *SIRENE,*
 - * *Schengen Evaluation System.)*
37. Law enforcement EU / regional / international cooperation, information exchange & analysis and interoperability/Entry-Exit system (EES)
38. Law enforcement EU / regional / international cooperation, information exchange & analysis and interoperability/Passenger Name Record (PNR) (Including but not limited to: *PNR Analysis.*)
39. Law enforcement EU / regional / international cooperation, information exchange & analysis and interoperability/European Travel Information and Authorisation System (ETIAS)

40. Law enforcement EU / regional / international cooperation, information exchange & analysis and interoperability/Interoperability
41. Law enforcement EU / regional / international cooperation, information exchange & analysis and interoperability/Joint Investigation Teams (JITs)
42. Law enforcement EU / regional / international cooperation, information exchange & analysis and interoperability/Customs Cooperation
43. Law enforcement EU / regional / international cooperation, information exchange & analysis and interoperability/Intelligence / Operational / Strategic Analysis

Leadership and other skills, competencies

44. Leadership and other skills, competencies/Leadership Development, in general
45. Leadership and other skills, competencies/Strategy / Organisational Development
46. Leadership and other skills, competencies/Language development (English and French)
47. Leadership and other skills, competencies/Hostage Negotiations
48. Leadership and other skills, competencies/Special Investigative Techniques (including but not limited to: *Undercover Operations and Informant Handling.*)
49. Leadership and other skills, competencies/Judicial Investigations
50. Leadership and other skills, competencies/Strategic and tactical intelligence analysis tools, and methodologies
51. Leadership and other skills, competencies/Interview, and Interrogation Techniques
52. Leadership and other skills, competencies/Mentoring, and coaching

Higher Education and Research

53. Higher Education and Research/Research and Science Applied to Law Enforcement
54. Higher Education and Research/Artificial Intelligence Research Applied to Law Enforcement
55. Higher Education and Research/Research and Analysis Methodology, survey
56. Higher Education and Research/Innovations in Research and Higher Education
57. Higher Education and Research/Networking maintenance
58. Higher Education and Research/Influencer on Research and on research networks

59. Higher Education and Research/Designing research projects
60. Higher Education and Research/High-level Edition of high ranks impact factor publications
61. Higher Education and Research/Financial assistance to research projects
62. Higher Education and Research/Funding possibilities for research
63. Higher Education and Research/Accreditation, EQF / SQF NQF expertise, Bologna and Copenhagen Processes
64. Higher Education and Research/Higher Education design (Including, but not limited to:
- * *Vocational,*
 - * *Postgraduate,*
 - * *Master,*
 - * *PhD programmes.)*

65. Public order and crime prevention

LE Technologies, Forensics and Other Specific Areas

66. LE Technologies, Forensics and Other Specific Areas/Forensics
67. LE Technologies, Forensics and Other Specific Areas/Artificial Intelligence (AI)
(Including, but not limited to:
- * *NLP and LLM,*
 - * *Generative AI,*
 - * *Robotic cyber-attacks,*
 - * *AI and Robotic Security,*
 - * *Anomaly detection, applied to Financial and Communication records.)*
68. LE Technologies, Forensics and Other Specific Areas/High-performance computing (HPC)
69. LE Technologies, Forensics and Other Specific Areas/Development of ICT networks and encryption
70. LE Technologies, Forensics and Other Specific Areas/Hybrid threats and War crime investigation
71. LE Technologies, Forensics and Other Specific Areas/Witness protection
72. LE Technologies, Forensics and Other Specific Areas/Applied psychology / behavioural sciences

Learning Development

73. Learning Development/Train-the-trainers, including online learning (e-learning)

74. Learning Development/ Learning and Training Design and Delivery, including online learning (e-learning)

75. Learning Development/Training Quality Assurance

76. Learning Development/ISO 29993 expertise

77. Learning Development/Online learning including

- * *Online learning – Webinar moderators*
- * *Online learning – Virtual Reality developers' scenarios, 360° videos, VR platforms, etc.*
- * *Online learning – Online course designers (instructional designers for Moodle LMS systems)*
- * *Online learning – Serious Gaming designing and developers*
- * *Online learning – Serious Gaming trainers for law enforcement*
- * *Online learning – Moodle content expert*
- * *Online learning – Moodle system administrator*
- * *Online learning – Moodle system developer*
- * *Online learning – Moodle system integrator*
- * *Online training methods*

78. Learning Development/Academic Curriculum Advisers

79. Learning Development/Academic Accreditation Experts, training quality assurance and evaluation of training systems

80. Learning Development/Training Peer Review

81. Learning Development/Mock Trials and Criminal Case Simulation (Including but not limited to case studies, role play and simulation development/performance.)

82. Union Missions ((CSDP), Management, Planning, Command, Threat Assessment)
